REALTORS® Support Robin Lundstrum

April 14, 2014 (Little Rock, AR) - The Arkansas Realtors® Political Action Committee (ARPAC) recently announced its decision to make a contribution in support of Robin Lundstrum as a candidate for State Representative District 87 in the May, 2014 primary election.

The decision to contribute to campaign was made by the ARPAC Trustees with input from local Realtors® in the candidate's district and after discussion of the candidate's qualifications and views on various issues relating to current real estate and small business issues in Arkansas.

Sharla Lau, ARPAC Chairperson said after the meeting, "It is critical that Realtors® form a working relationship with our legislators for two reasons. First, Realtors® want to protect the property rights of private property owners. Second, since the real estate industry is a key component in the recovering economy, Realtors® want to make sure that home buying and selling is unfettered by unneeded regulation and legislation or overburdened with additional costs for sellers and buyers. We look forward to working with Robin Lundstrum in the state legislature."
